At the start of the shift MR wasn't home according to the morning shift staff's MR left the house stating that he's going to the hospital.

Staff waited at home instead someone called cause usually when Michael leave the house he called the ambulance and the Ambulance will called staff to go pick him up, but after 30 minutes without receiving any calls staff decided to go for outreach. Staff drove to Tyler hills, sunshine hospital, Carolyn Spring water garden but couldn't find MR. Staff called Footscray hospital but he wasn't there.

After visiting some of the places where MR usually go, but couldn't find him we drove back home. At 8pm After multiple attempts to locate MR but couldn't locate him staff reported him missing to the police.

At 9:20pm the police called and said that they have put in the missing person report and will look out for MR, then the police also told staff that if MR return home staff should call and cancel the missing person report. At 10:30pm handover was conducted
